

The course for the 2010 Garden Spot Run and Walk will remain the same as the previous two years. The Start Line is on College Street directly beside City Hall. The runners will proceed south on College taking the left fork at the Middle School and proceeding to Wildcat Way. They continue on Wildcat Way to 31-W South, turning right on 31-W and traveling south to Rolling Road Drive, (the entrance to Highlands Subdivision). The course then travels west on Rolling Road to Valley View, left on Valley View to Hillcrest Road, right on Hillcrest to College Street. At this point the course travels north on College to Austin Drive, west on Austin Drive to Craig, north on Craig to Cardinal Drive and east on Cardinal Drive back to College. Runners will then proceed north on College back to the front of the Middle School where they will continue west on Yokley Drive, (not going down the hill at the Middle School). A right on Taylor Lane will take the runners to Montague Street and a right will take them back to College Street where they will proceed north to the Finish Line directly in front of the Methodist Church.
