1020 South Main Street
Franklin, KY 421

Dear Health Care Provider

It is hard to believe it is time to start preparing for the 2012 Franklin-Simpson Community Health Fair Presented by The Medical Center at Franklin. This partnership is now 5 years old and continues to grow each year. Last year on a rainy day , over 300 individuals braved the weather to take advantage of over \$600 of free screenings. With the popularity of the event last year, we anticipate an even bigger crowd in 2012.

We want to invite you to participate in this growing event. With such a large crowd anticipated, it is very important to have the same quality of screenings as in the past. Of course there is room for even more screenings. As an example, we were not able to provide oral cancer screenings last year, and while we had several information booths, there is considerable information that could be provided by additional booths.

Last year, we had the largest number of booths with 33 businesses participating. There is still more room for others. This is a great way to get your name in front of prospective clients and at the same time provide much needed screenings and information to assist the residents of Franklin and Simpson County.

Please mark your calendar for March 3, 2012 and plan to attend the Franklin-Simpson Chamber of Commerce Community Health Fair Presented by The Medical Center at Franklin. Enclosed you will find an application form. Please complete this form and return it to Michael S. Thurmond, Executive Director, Franklin-Simpson Chamber of Commerce, P. O. Box 513, Franklin, KY. 42134.

We hope to see you at the 2012 health fair.

Sincerely,

Michael S. Thurmond
Executive Director
Franklin-Simpson Chamber of Commerce
